And What Have You

By BOB CRAIG

The Dallas Cowboys are bound to have picked up a great many converts Sunday after the way they wiped out Los Angeles. We do not know if they will be able to play another game as well as they played Sunday and they may fall apart in the Super Bowl but out of the four teams playing Sunday they had to be the pick of the lot.

What impressed me the most was how loose they played. They did not play like this was the most important game they had played in all year. They just played cool and relaxed. When they got ahead I kept expecting them to tighten up and go conservative but they didn't.

If they have another game left in them like the one they played Sunday they will take their second Super Bowl championship.

And any way you look at it you have to give Coach Tom Landry a great deal of credit. He has molded a team composed of old pros and young inexperienced players into a real professional outfit. Where in the past he has fielded a complex, steady offense that was almost predictable in its every move, he now has one that is just as complex but highly unpredictable.

And while we are on sports we would like to urge more of you to take the time to come out and see the Hamlin basketball teams this year. (From the size of the crowds we know that most of you have not seen them play yet.)

As of Monday both the boys and girls teams are undefeated in district play and the boys have only lost one game all season. The boys probably have one of the best teams Hamlin has fielded in a number of years and they deserve better attendance than they have been getting.

The Wall Street Journal had a story recently about college students at Tucson, Arizona, donning surgical masks and rubber gloves, wading into the sanitary landfill site at Tucson, measuring and counting what residents of that city throw away. These students count each half cooked T-bone, they weigh the pieces on a scale and record the data in notebooks. These students are budding archaeologists, pioneering in the new and odoriferous specialty of garbageology.

Their professor says that if archaeologists could use garbage in the past to reconstruct what was going on in ancient societies, they can use today's garbage to see what's going on in our society now. The professor says that the U. S. has tons of data on the production and marketing of food but next to nothing on consumption and waste.

The university has been accumulating data in the dump since 1971 and has now reached some conclusions. They find that the average family wastes about 10 percent of the food purchased and that a nation as populous as Canada or Egypt could live on what America throws away. And the 10 per cent figure is conservative because nobody knows what is tossed into garbage disposals or eaten by family pets.

The students study not only discarded food but other items as well. They find that the charge that Americans waste more than any nation in history is a charge well founded. Mountains of usable items of furniture, including appliances which can be fixed by replacing the cord, are tossed out by people too busy, or too affluent, to bother with getting these repaired. It may be that families simply get tired of their things and get rid of them not because they are useless but because they have been replaced by something newer or better.

Services Wednesday For Clarence Bailey, 83

Funeral for Clarence Clay Bailey, 83, a retired merchant, was held Wednesday at 4 p.m. at First United Methodist Church.

Mr. Bailey, who moved to Hamlin in May, 1906, died at 8:45 p.m. Sunday at West Texas Medical Center in Abilene where he was hospitalized Dec. 30.

Born Apr. 22, 1892, he was the son of the late Mr. and Mrs. S. C. Bailey.

At the age of 14 he started work part time for W. M. Holland and Sons Dry Goods and worked from 1906-1907. In 1908 he was a clerk for Nobles and Scales. Other employment was with W. M. Green & Son, Pool Whittington, Workman Dry Goods Company, Strauss Dry Goods and Bryant-Link Company. In 1919 until 1926 he was co-owner of Cecil and Co. From 1950 until his retirement in 1962, he owned and operated Bailey's Department Store.

He married Leuna D. Davison here in 1917.

He served as secretary of the Hamlin Board of Trustees and was secretary of the Hamlin Chapter No. 310 R.A.M. for several years. He served as secretary and president of the Hamlin Lions Club and served on the Board of Stewards of First Methodist Church.

Services were conducted by the Rev. Jim Smith, pastor, and the Rev. Marshall Stewart, pastor of the Church of the Nazarene.

Burial was in Hamlin East Cemetery.

Survivors include his wife of the home, 318 N. W. Ave. A; four sons, Ralph of Sherman, Ray of Odessa, Clay of Houston and Mark of San Diego, Calif.; two daughters, Mrs. Bill (Vie M.) Fomby of Odessa, Mrs. M. G. (Callie Jo) Torbett of San Diego,

CLARENCE C. BAILEY ... rites held Wednesday

Calif.; two sisters, Mrs. Daisy Melton of Cleburne and Mrs. Matie Medford of California; 14 grandchildren, 13 great-grandchildren and two great-great-grandchildren. One daughter, Gladys Oourke, died in 1970.

Burial was in Hamlin East Cemetery.

Pallbearers were Johnny Bryant, Bill Davis, Edd Gardner, Burt Fomby, Bill Rountree and Joe Simpson.

City Gets Approval For Federal Grant

Congressman Omar Burleson announces the approval of a \$242,175 environmental protection agency grant to the city of Hamlin.

The funds will assist with an oxidation ditch, waste water treatment plant, lift station, force mains, pump station and holding pond. The current eligible cost for this phase of the project is \$322,900.

JURY RULES AGAINST DISTRICT —

Judge Daniel To Rule On Hospital Suit Jan. 22

While a unanimous Jury verdict in favor of the plaintiffs against the Hamlin Hospital District in 104th District Court in Anson Tuesday, the outcome of the suit will not be determined until Judge J. Neil Daniel enters a judgment in the suit Thursday, Jan. 22.

Although the jury answered four special issues in the case, the questions of law and of the constitutionality of the suit are yet to be ruled on by Judge Daniel.

Courthouse observers expect the suit to be appealed regardless of which side is the ultimate winner in District court.

The jury deliberated 40 minutes before ruling in favor of a group of southwestern Jones County taxpayers who had sued the hospital district.

Following the verdict, attorneys for the defendants asked Judge Daniel to enter a judgment for the defendants notwithstanding the verdict of the jury.

The plaintiff's attorney asked the judge to enter a judgment for the plaintiffs in accordance with the jury verdict.

Frank Scarborough of Abilene, attorney for the plaintiffs, called 15 witnesses to the stand Tuesday morning after calling four persons Monday afternoon. Attorneys for the defendants called no witnesses. Representing the defendants were Jack Willingham and John Watts, both of Hamlin.

The Attorney General's office, which was also named as a defendant, was represented by Harry Green and David Talbot Jr.

The defendants' attorneys asked for two motions for instructed verdicts from the judge, rather than letting the jury decide the outcome, but Judge Daniel denied both motions.

The plaintiffs had claimed that the creation of the Hamlin Hospital District by the Texas Legislature in 1973, while done according to the Texas Constitution, violates their rights under the equal protection clause of the U. S. Constitution. This question will remain unresolved until Judge Daniel enters his judgment Jan. 22.

The jury answered "yes" to each of the following four special issues as cited by Judge Daniel in his charge to the jury.

The special issues were: 1. At the time of the passage of Senate Bill No. 448 authorizing the creation of the Hamlin Hospital District, were the people in such proposed hospital district who resided south of U. S. 180 using trade centers other than Hamlin as their principal trade center?

2. At the time of the passage of Senate Bill No. 448 authorizing the creation of

the Hamlin Hospital District, were the people in such proposed hospital district who resided south of U. S. 180 using hospitals and medical services other than the hospital and medical services in Hamlin, Texas?

3. At the time of passage of Senate Bill No. 448 and the creation of the Hamlin Hospital District, could it reasonably be expected that the people who lived in such proposed hospital district south of U. S. Highway 180 would not use said hospital and medical services of the

proposed Hamlin Hospital District?

4. At the time of passage of Senate Bill No. 448 authorizing the creation of the Hamlin Hospital District did the people who resided in such proposed hospital district south of U. S. 180 not have any need for the creation of said hospital district or the services to be offered by same?

The lawsuit was filed Nov. 13, 1974, after two \$500,000 bond issues were passed (in December, 1973 and August 1974) in the hospital district to

remodel Hamlin Memorial Hospital.

The December, 1973, vote also created the Hamlin Hospital District as authorized by the Texas Legislature in May 1973.

Hospital district directors are John Scarborough, John Brown Jr., Joe Cowan, Bill Harbert, Donald Young, Joe Hudspeth and John C. Bryant.

Plaintiffs were C. E. Carter, Leon Kelso, Frank Carter, Henry Ueckert, Carl Jackson, James Boyd, N. N. Watts and Darwin Hill.

Hamlin to Play Anson Friday, Coahoma Tues.

Both the boys and girls Hamlin basketball teams will be putting their unblemished records on the line Friday night when they travel to Anson. Both teams hold 3-0 first round records with the girls also having one second round win behind them.

Tuesday night the teams will host Coahoma, who are also undefeated in district

play and share the Boys and Girls District lead with Hamlin.

The Pipers took an easy, 74-27, victory over Winters here Tuesday night for their third district win. The girls also found it easy going against the Winters girls and captured a 57-35 district win.

In other district games, Anson suffered its first loss in

district play Tuesday night when their boys lost to Coahoma 72-49 and the girls lost 62-34. Colorado City boys defeated Ballinger to remain undefeated in district play with a 2-0 record. C-City also won the girls game, 48-34.

Delbert Thompson was high for the Pipers against Winters with 18 points as Coach Tom Dechario used all of his bench in the rout over winless Winters. Other Pipers and their scoring were: Gerald Rodgers 10, Alan Steele 12, Charlie Brown 4, Rick Craig 4, Paul Reynolds 4, Daniel Willis 8, Steve Williams 9, Stanley Jones 3.

For the girls it was Elizabeth Hooper leading in the scoring department with 20. She was followed by Stacy Bell with 17, Starlet Covington with 10, Betty Fitts with 2, and Tracy Gregory with 8.

Winters won the girls JV game, 30-13, but lost the boys JV contest, 42-39.

Playing here Friday night, the Pipers took their second win over Abilene Christian High School, 60-53. The local girls also came out on top with a 56-48 victory. Scoring for the Pipers were: Rodgers 15, Steele 6, Thompson 17, Brown 8, Craig 2, Reynolds 2, Willis 4, Williams 6.

In the girls game it was Bell 21, Covington 13, Hooper 22.

Hamlin won the girls JV game, 36-30, but lost the boys JV game, 55-29.

Driver Education Course Planned

The Hamlin parental involvement program is co-sponsoring a Driver Education course Jan. 19-22. Others co-sponsoring with Hamlin are the Anson and Stamford parental involvement programs.

This course will be taught in English and Spanish and is for anyone 18 and over who does not have a valid Texas operator's drivers license. The course will be held at the Stamford High school and will run from 6 to 9 each night.

The class will be taught by Mrs. Chris Pena, community aide of Hamlin and Mrs. John Vasquez, community aide of Stamford.

Anyone interested in taking this course should contact Mrs. Pena at the elementary school.

Hamlin to Host Junior High Basketball Tourney

Hamlin will host a boys and girls Junior High Basketball Tournament here this weekend with play starting today (Thursday) at 1 p.m.

MRS. HERBERT WAYNE TUCKER
... formerly Janet Kay Lockhart

Lockhart-Tucker Vows Exchanged Saturday

Marriage vows were exchanged Saturday, by Janet Kay Lockhart and Herbert Wayne Tucker at Immanuel Baptist Church. The Rev. Mickey Fugitt, pastor, officiated the double ring ceremony at 5 o'clock.

The bride is the daughter of Mr. and Mrs. Ardenne Lockhart of 12 Erie Circle, Abilene. Parents of the bridegroom are Mr. and Mrs. Herbert G. Tucker of 1610 Oak Street, Abilene, and Mr. and Mrs. Odell Owens of Bedford. Mr. and Mrs. W. C. Lockhart of Hamlin are grandparents of the bride.

As guests entered the foyer, Miss Denise Brewer invited them to register in the bride's book.

The bride was given in marriage by her father. Her gown of silk organza over satin featured lace appliques embroidered with pearls, empire waistline, long full sleeves, and a chapel train. Her flowers were white gladioli.

Gail Veteto of Tennessee Colony cousin of the bride, was maid of honor. Bridesmaids were Brenda Bain and Camille Frost, both of Abilene. Their identical dresses were blue and orchid floral chiffon with ruffled scoop neckline and long flared skirt. They carried orchid cysanthemum nosegays.

Phil Forrest of Hawley was best man. Groomsmen were Teddy Jordan and Ken Roland, both of Hawley. Danny Wright of Irving and Glen Veteto of Tennessee

Colony, cousin of the bride, seated guests and lighted candles.

Lt. Col. Charles DeMone, was organist; and accompanied Glen Veteto, soloist.

Mr. and Mrs. George Veteto, aunt and uncle of the bride, hosted the reception in Fellowship Hall assisted by Pam Jackson, Mrs. David Karnes, Mrs. Don Tatum, sister of the bridegroom, and Mrs. Teddy Jordan.

Following a wedding trip to Ruidosa, N. M., the couple will reside at 4143 Pleasant Run Road, Apt. 236, in Irving.

The bride graduated from Cooper High School and attends North Texas State University. The bridegroom graduated from Hawley High School and is employed by J. H. Coffman and Son of Dallas.

The rehearsal dinner was hosted by Mr. and Mrs. Odell Owens at the Saddle & Siroin restaurant.

Homemakers Meet Monday For Program

The Young Homemakers Club met Monday evening in the high school Home Economics room. Dr. Joe Don Hymer presented the program, a film entitled "For A Wonderful Life" narrated by Lucille Ball, Lucy Arnaz and Virginia Graham. The film was concerned with uterine cancer and having regular Pap tests.

Members present were Mmes. Warren Reynolds, Chris Pena, Davis Weaver, Roy Pritchard, Ronnie Jeffrey, Larry McCoy, Robert Moore, Mac Reid, Pat Willoughby, Miss Rita Oliver and Mrs. Joe Wayne Carter, advisor.

Art Club Sets Meeting Here

Hamlin Art Club will meet at Art Studio and Gallery Monday, Jan. 12 for a painting session from 9:30 a.m. to 3:30 p.m.

All members are urged to attend.

Yankee Women Hired To Save Cotton Crops

Harvesting their crop before bad weather has always been a problem for cotton farmers.

One resourceful Mississippi County, Ark., planter—beset by a shortage of labor during the last year of the Civil War—solved his problem by hiring Yankee women cotton pickers.

According to a diary kept by Edward Palmer, a representative of the Smithsonian who visited Arkansas in the 1880's to study Indian Mounds, the planter was Dr. F. G. McGavock of Pecan Point.

With cotton selling at \$1.40 to \$1.80 a pound, the Arkansas doctor was understandably anxious to get his crop harvested. So he made a trip to Castle Garden, N.Y., where he hired 86 Irish girls to save his crop—promising to pay them \$20 a month plus room and board.

A flood came before all of the cotton was harvested, however, and the doctor promised each girl a new balmoral—a woolen petticoat—and a pair of shoes if all the cotton were pulled up and saved.

So appealing was the Scotsman's offer that the girls went to work—four on each side of a row—pulling the cotton, loading it on a wagon, and taking it to a dry place for storage.

McGavock's scheme worked, but an 1860's wave of women's liberation soon set in. Within a year after the war, most of the women had gone to Memphis to work as domestics.

Scott-Watson Wedding Vows Read In Abilene

Melba Jean Scott and Don Everitt Watson, both of Austin, exchanged marriage vows Friday at 2:30 p.m. in the office of Judge Silas E. Clark in Abilene.

The bride is the daughter of Mr. and Mrs. Gene Scott of Hamlin and the bridegroom's parents are Mr. and Mrs. H. O. Carson of Abilene.

The reception at the home of the bridegroom's parents was hosted by Mrs. Carson, assisted by the bridegroom's sister, Mrs. Ralph Smith.

The couple will reside in Austin at 8605 Shoal Creek, No. 222.

The bride is a graduate of Hamlin High School and is employed by National Western Life Insurance Company in Austin.

The bridegroom, a graduate of Glasgow High School in Montana, holds a BA degree from the University of Texas. He is employed by Applied Research Laboratories in Austin.

Slimnastics Course Opens Here Tonight

As a part of the Community Education program, a new slimmastics course for ladies will begin at Hamlin High School tonight (Thursday). The classes will meet from 8 to 9 p.m. each Monday and Thursday evening. The course will consist of 43 spot exercises as suggested by the Athletic department. Mrs. Jeanne Cooper will lead the exercises. This is a non-profit service, but a small fee will be charged to defray expenses. The price will be \$4 for the month of January and \$4.50 for each month thereafter. (Over a period of the next five months this means 50 cents an hour.)

Interested parties should report to the southwest corner door of the high school practice gym at 8 p.m. today. Participants may enroll at any time, but it is suggested that one start this week or next.

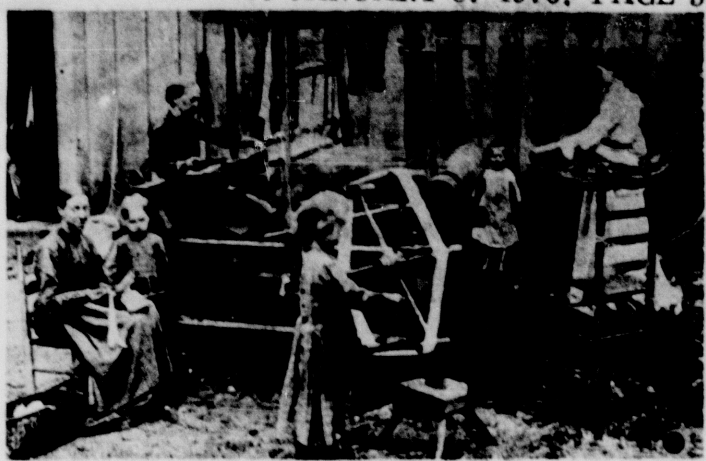

Men who would like to start a slimmastics course should call the high school during the day or Mrs. Warren Sharp after 5 p.m. If enough interest is shown, arrangements will be made for such a course, said Mrs. Sharp, coordinator of the community Education program.

Bridge Winners

First place winners in Dec. 30 competition of the Hamlin Duplicate Bridge Club were Mrs. Ray Sonnenburg and Dale Lain.

Second place winners were Mrs. LeRoy Smith and Mrs. G. W. Comegys; and winning third place were Mrs. Gene Knabel and Mrs. Dale Lain.

Colonists Reprimanded
Georgia colonists who grew, manufactured, and sold some cotton in the first half of the 18th Century were reprimanded by the English government and advised to turn their attention to producing silk. The British discouraged any manufacturing in the colonies which might interfere with that in the Mother Country.

MADE IN THE SHADE—Home spinning and weaving of cotton was one of the feminine duties of yesteryear, as indicated by this early photo of an Alabama family engaged in cloth-making. Many frontier homes were too small to accommodate a large loom, but enough were available in a neighborhood to weave cloth for all.

Scrap-Craft Fun

with Edna

Fun with Leftover Ribbons

One of the bright spots after Christmas is the fun you can have making all sorts of beautiful things with ribbon, whether it's from gifts or holiday plants.

Apron

For an easy-to-make, fancy party apron, sew lengths of various widths and colors of ribbon together to within 1 1/2" from the bottom. To make the fringe, machine stitch a line across the apron near the bottom of the stitching, and fray the ends of the ribbon. Gather the top of the apron and add a wide ribbon waistband with ties.

Flowers

You can use these ribbon beauties to frame mirrors, gather in a bouquet, make corsages or decorate a gift.

To make a stem for a flower, use a piece of flexible but sturdy wire (about 18 gauge) and attach it to the base of the flower, wrapping with floral tape or green crepe paper. Continue wrapping the entire stem, adding ribbon leaves as you wrap.

side of one petal lightly with glue and lay a piece of covered fine wire along the middle from tip to base, as shown. Cover with another petal, shiny side up. Press the petals together firmly. As the glue dries, the petal stiffens and will hold its shape.

Arrange three petals around five or six stamens made of rolled and glued crepe paper. Then, add the remaining three petals around them. Wrap the base of the tulip with floral tape.

Lily. Cut three pieces of ribbon, 1 1/4" x 7", cutting the ends into points. Overlap the centers of the strips to make six petals.

For stamen, fold a piece of ribbon, 4" long, in half and cut as shown. Place the stamen in the center of the petals and gather the lily at the base to make the trumpet shape. Wrap with wire or floral tape. Apply a thin coat of glue to overlapping edges.

Tulip. Use satin floral ribbon. For each tulip, cut 12 petal shapes, as shown. Brush the back

FROM THE FILES . . .

FIFTY YEARS AGO
(January 1, 1926)

Monday night about seven-thirty, fire wrought a complete loss of all the household goods and ruined the residence of Mr. and Mrs. T. E. Harden, on Union Avenue. The flames broke out while the family was at the supper table. It had only been a few minutes before the fire was discovered that Miss Karen Harden had been talking over the telephone. She returned to the dining table and all of a sudden flames were seen enveloping the sitting room. Fire extinguishers in the home were brought into play, the garage extinguisher was brought in, but to no avail. The fire had evidently started in the attic and got a good headway before being discovered.

It has not been learned yet what Mr. Harden's plans are for rebuilding, but a substantial modern brick home will likely take the place of the one destroyed, either on the same lots, or some other location.

Accident charts which have been kept of automobile accidents in Texas show a large decrease in night accidents since the headlight law went into effect, according to reports to the headlight division of the State Highway Department.

On Dec. 24, Newsom & Baker Grocery gave away an oil cooking range and the fellow to get it was Ted Gleason who resides north of Hamlin. He had No. 5266 and therefore will go to burning oil now and quit chopping wood.

Last Saturday, the Herald had a pleasant visitor in the person of Charlie Boyd, who is now the chief of operations on a Mexia paper. Charlie is a son of Byjo and learned the mystic art of printing right here in the Herald Office. All about the machinery can now be seen the word "Charlie Boyd" scratched. Since those days he has worked as a progressive printer, operator, make-up man, foreman and general manager of papers in Stamford, Lubbock, and other cities. But the place of his fondest recollections are right here in the Hamlin Herald. Many changes have been made since he used to "stick" type here. He smiles with delight to see his old shop keeping up on modern machinery.

One of the most distinctive social affairs of the holiday season was that of Monday afternoon at the lovely home of Mrs. Geo. W. Gray, when Mrs. Gray, Mrs. W. W. Green and Mrs. B. Mosley entertained with nine tables of progressive forty-two.

The beauty of the entertaining rooms were enhanced with an artistic arrangement of holiday decorations and lovely potted plants, while the bright flow from the open grates added a note of cheer and warmth. The table covers and all other appointments featured the gay color scheme and were suggestive of the gladsome yuletide.

TWENTY YEARS AGO
(January 6, 1956)

Varied activities will be used in the Hamlin community to give an emphasis to the annual March of Dimes campaign to raise funds for the fight against polio, according to Mr. and Mrs. Ned Moore, community drive chairmen.

Civic, community and women's clubs have pledged whole-hearted support of the drive, the Moores announce.

Special chairmen were named by the Moores as follows: Earl Smith, posters; Holly Toler, coin collectors; Starr Inzer and George Poe, special gifts.

Rev. and Mrs. E. V. Adolffson and two sons will be guests of Hamlin First Methodist Church members from Saturday afternoon through Monday morning, January 7-9, according to Pastor Darnis L. Egger.

The Adolffsons are missionaries to Portuguese East Africa, but presently are on furlough to the United States. They are both studying at Perkins School of Theology in Dallas.

Insured fire losses during 1955 totaled \$45,166.91—the biggest since 1950, when the Midwest Cooperative Oil Mill burned—were tabulated this week by T. W. (Mickey) McGuire, city fire marshal, as he listed the fire losses in his annual report to the Texas Fire Insurance Commission.

Three major business district fires—Paul Bryan Lumber Company, Hassen Dry Goods Company and the Ritz Theater—accounted for most the year's loss.

Hundreds of projects are included in the productive enterprises of boys enrolled in the vocational agriculture department at Hamlin High School, reports T. C. Blankinship and Harold V. Eades, VA instructors.

All boys enrolled in the department have completed their preliminary plans for productive enterprises and other supervised practice jobs for the current school years.

Bobby Crowley, post office employee, was named new president of the Hamlin Pied Piper Booster Club for the year beginning in June, when members of the organization met Tuesday evening in annual business session.

Other officers named at the session held at the oil mill guest house, included: Loyd Burkhardt, vice president; John Steele, secretary; R. E. Haynes, reporter. Directors for the new year will be Bill Harbert, Truman Nix, Gerald Young, Gene Prewit, H. F. Copeland, Jim Herridge and Harrell Blackburn.

TEN YEARS AGO
(January 6, 1966)

Barrett Beaver has authorized the Herald to announce his candidacy for re-election as County School Superintendent of Jones County.

Joe E. Ford, Jones County chairman for the March of Dimes, has announced plans for the annual fund raising drive. The Jones County goal is \$5,500.

The Mother's March, under the guidance of the Hamlin Jaycee-ettes, will be held Thursday, Jan. 20. Anyone who can help may contact Mrs. Ford.

Football jackets were given to 23 Varsity boys, 24 B-Team boys and 24 Freshmen boys along with managers and Coaches Monday. Football captains are Tommy Ferguson, James Ledbetter and Scotty Brown.

Glenda Hudspeth, senior homemaking student and first place winner in the Lubbock division, Make-it-with-wool contest, will go to College Station for the state competition Saturday.

Ewell Mackey has been elected vice president of the Hamlin Jaycees to fill vacancy created when Roy Eisenbach resigned earlier in the year to move to Stamford. Johnny Jeffrey has been named by the board of directors to fill the position on the board left vacant by the resignation of Lane Fletcher, who moved to Amarillo.

Mackey is a charter member of the local organization and has served in several offices of the club during the past years. Jeffrey is a first year Jaycee.

The Hamlin Jaycee sponsored Turkey Shoot was well attended even though it was pretty cold, according to Bill Early, president. He said that a total of 11 turkeys were won.

Winning turkeys were J. O. Priddy, James Wright, Harton Brandon, James Brown, Pat Feagan, Patricia Feagan, John Hudson and Paul Sutton. Bobby McKissack won in the 10-14 year old class and John Hudson won the 10-year old and younger class.

this. Every city in the country, including Hamlin has garage sales in progress every day as people clean out their closets and yet hate to throw their stuff away. All of this discarding of good stuff would have seemed almost criminal to an earlier generation which scraped and scrimped and got by on little or nothing.

Attitude...
OF PRAYER

"Give ear to my words, O Lord, consider my meditation. Harken unto the voice of my cry, my King, and my God: for unto thee will I pray."

Psalms 5:1-2

God hears and answers prayers, but not everyone knows how to pray. Even the Lord's disciples asked that he teach them how to pray.

Attitude of the individual is important in prayer. Prayer is the opportunity that we have to tell God of our blessings and give thanks. It is an opportunity to petition for help, but above all, our hearts should be willing that God's will be done.

Prayer should be offered individually and in groups.

ATTEND CHURCH
AND
PRAY WITH OTHERS

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

The Hamlin Junior High Basketball Tournament starts today (Thursday) and will continue through Saturday with both boys and girls competing.

The Piper varsity boys and girls and the junior varsity boys will journey to Anson Friday afternoon. The first game begins at 5.

The eighth grade boys and girls will match game plans with the teams at Hawley, Monday, starting at 5:30.

Donna Bell pumped in 20 points to pace the Hamlin eighth grade girls to a 34-25 win over their Roscoe counterparts in Roscoe Monday evening.

The eighth grade boys fell to Roscoe 29-27 despite Odis Willis' 15 points.

Mr. and Mrs. George Decker and girls of Athens visited his mother, Mrs. Bessie Decker over the holidays. Mr. Decker is pastor of Cayuga Drive Baptist Church.

Dinner guests Saturday in the home of Mr. and Mrs. Herman Sharer were Mr. and Mrs. Aubrey Smith of Stamford.

Grandson Dies In Abilene After Long Illness

Dennis Garland Miller, 12, son of Mrs. Bob Thomason of Abilene and Weldon Miller of Dallas, died at 7:50 a.m. Thursday in Hendrick Memorial Hospital after a 3½-year illness.

His foster grandparents are Mr. and Mrs. W. J. Stewart of Hamlin.

Funeral was held at 11 a.m. Friday in Elliott-Hamil Chapel of Memories. Burial was in Rotan Cemetery.

He was born May 28, 1963 in Hamlin.

Other survivors are a brother, Daryl Kent Miller of Abilene; paternal grandmother, Mrs. Mamie E. Miller of Abilene; maternal grandmother, Mrs. Dennis Rambo of Memphis; and paternal great-grandmother, Mrs. Vester Humphries of Abilene.

The boy's mother was the former Laverne Williams Stewart. She graduated from Hamlin High School.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Sam Davis, son of Mrs. Mayna Davis, a student at Tarleton University, Stephenville, spent part of his vacation time in McCaulley last week.

Mrs. Paul Morris had her son T-4 Bobby Morris, of Ft. Leonard Wood, Mo., home for the holidays.

Jeffrey Green of Snyder, grandson of Mr. and Mrs. T. E. Green, spent a part of the holidays with his grandparents.

Mrs. Fred Kemp and Max stopped by Anson enroute home from the Hawley Basketball Tournament to have coffee and a bit of conversation with Mrs. Zoe Encke, former English teach from McCaulley.

Mr. and Mrs. Eldon Franklin were back in town in time to attend the McCaulley-Goree basketball game Friday night. The Franklins spent the holidays at their home in Ladonia.

Mrs. James Smart Sr., had her family home for the holidays. Here were Mr. and Mrs. Vernon Smart and family of Ft. Worth, Mr. and Mrs. George Seaton and family of Marble Falls, Mr. and Mrs. Archie Boyles and family and Mr. and Mrs. Clint Keys and family of Midland. Mr. and Mrs. Fred Heatherly and family and Mr. and Mrs. Spencer Lyles and family of Abilene.

Mr. and Mrs. James Smart Jr. had Mrs. Smart's mother, Mrs. Ione Penny of Ft. Worth. Mr. and Mrs. Larry Smart and Jamie of Ranger and Mr. and Mrs. Aubrey Haight and family of Idalou visit during the holidays.

Mr. and Mrs. Ed Farmer's daughter Vivian and son Eddie were at home during

Christmas. The Farmers spent some time in Clyde and Denton Valley with their parents. However, they were home in time to attend the Hawley Tournament when McCaulley played Goree and Old Glory.

Mr. and Mrs. Keith Teague of Anson and son Stephen visited the Harvey Dowell family last week.

Luncheon guests in the home of Mr. and Mrs. Avis Jeffrey Sunday were Mr. and Mrs. Buddie Gibson, Mr. and Mrs. Pratt Cox, Mr. and Mrs. P. W. Lawlis, Mr. and Mrs. C. D. Herron, Roby, Mr. and Mrs. Ricky Jeffrey, Mrs. Kay Brown and Scottie and Eddie Gibson.

Tiny Ann Smart, daughter of Mr. and Mrs. James Smart Jr. is using her vacation time to attend a mini-course in accounting from Western Texas College in Snyder.

(From Last Week)

Gives me a lift to see the nice sunshine outside this morning but it was great to have a White Christmas this year.

Had too many unfinished tasks to get the news in last week. Hope everyone enjoyed the tournament like my family did. Some people attended we hadn't seen in years and we met many new people. Even one of the officials had previously lived in this vicinity and seemed to enjoy visiting between games. McCaulley girls won consolation and the boys won second place. Perry Williams and Donna Watson were selected for the All Tournament Team.

Bill Young was given a purple windbreaker in appreciation for all the extra

steps he had to take. Many students and local people helped keep the gymnasium in order and their efforts were not rewarded with a gift but did not go unnoticed.

Hattie Lou Waldrop had a very good and bad Christmas this year. Son Billy of Abilene had a telephone installed which has already been a joy and worth the installation fee. Christmas Day Mr. and Mrs. Paul Waldrop of San Angelo, Billy Waldrop, Mr. and Mrs. Johnny Waldrop and family of Hamlin were visiting. The dog tripped Hattie Lou in the yard and caused her to fall bruising her face, arm and shoulder and broke her glasses. Didn't break her spirit though as she can still smile and carries a stick to keep the dog from getting underfoot again.

Mr. and Mrs. Charles Ferguson had all their family together during the holidays. Mr. and Mrs. Kenneth Ferguson and Chris of Muleshoe and Mr. and Mrs. Don Ferguson and family of Spur. The boys went deer hunting.

Luther Maberry is home and is happy he could be out of the hospital during Christmas. Daughters and their families Mr. and Mrs. Don Rowland of Sweetwater and Mr. and Mrs. Rudy Hamric of Rotan were here to help make the holidays more cheerful and help Addie with some of the chores.

Mrs. Levi McCollum spent the holidays with the Jim Pickens of Abilene. Grandson James Mack Pickens had been a visitor with Mrs. McCollum recently. Seems the family were doing some renovating on the home in Abilene and James Mack was allergic to some of the materials being used. I'm sure grandmother enjoyed keeping him although these allergies can sure cause discomfort.

Visitors in the home of Mr. and Mrs. Fred Kemp during the holidays were Mr. and Mrs. Jimmy Ward and Mr.

Medicare Hospital Insurance Deductible Now Up to \$104

The Medicare hospital insurance deductible will be \$104 starting Jan. 1, 1976, according to Glyn Hammons, social security district manager in Abilene.

"A Medicare patient who goes into a hospital and starts a benefit period after Dec. 31 will be responsible for the first \$104 of the hospital bill," Hammons said.

The 1975 deductible was \$92. Under the Medicare law, the amount of the deductible

is tied to the average cost of one day's stay in a hospital. "The increase to \$104 for 1976 is a result of a review of hospital costs during 1974," Hammons said. "However, the present \$92 deductible remains in effect throughout any benefit period that started in 1975 even if the period of hospitalization goes into 1976."

Under the law, the increase in the deductible means there also will be increases starting January 1 in three other amounts Medicare patients pay for covered care.

For a hospital stay of over 60 days, the patient will pay \$26 a day (up from \$23) for covered services furnished on the 61st through the 90th day.

For a post-hospital stay of over 20 days in a skilled nursing facility, the patient will pay \$13 a day (up from \$11.50) for the 21st through the 100th day.

For reserve days used—after 90 days of hospital care in a benefit period—the patient will pay \$52 a day (up from \$46.)

Medicare hospital insurance helps pay for hospital stays and certain post-hospital care of people 65 and over, disabled people under 65 who have been entitled to social security disability benefits for 24 consecutive months or more, and many people who have permanent kidney failure.

Medicare is administered by the Social Security Administration, an agency of the U. S. Department of Health, Education, and Welfare. The Abilene Social Security Office is located at 142 S. Pioneer. Office hours are 9 a.m. to 5 p.m., Monday through Friday.

HAMLIN GRADUATE— Charles N. Shira, MSU Athletic Director, Dies

Charles N. Shira, 49, athletic director at Mississippi State University, who graduated from Hamlin High School in 1943, died at a Jackson (Miss.) hospital Friday night after suffering a stroke at his Starkville home Wednesday.

Services were held at 2 p.m. Sunday from Welch Funeral Home Chapel with burial at Starkville.

Shira was first hospitalized Nov. 20 after suffering a cerebral hemorrhage. He was hospitalized for more than a month in Doctors' Hospital where he underwent surgery to repair the ruptured blood vessel in his head. He was readmitted to the Jackson hospital Thursday after the second stroke.

He returned home last week and visited his new office in the Humphrey Coliseum before he was stricken again.

A graduate of Mississippi State, Shira returned in January, 1967, to assume the dual role of head football coach and athletic director. He previously served two stints on the State coaching staff.

Shira started as a tackle for two years at Texas A&M before going to West Point. He was a two-time All-American for the U. S. Military Academy after duty in World War II. In 1950, he was named Army's most valuable player.

A 1954 MSU mechanical engineering graduate, Shira was named the Associated Press Southeastern Conference coach of the year after leading MSU to a 6-5 record that featured five upset wins.

He became full-time athletic director in 1972. Under Shira's guidance, a number of changes were made in the MSU program. Among these were the million-dollar John Wesley McArthur athletic dormitory and the recently-completed Humphrey Coliseum.

Survivors include his wife, Bernadette; four daughters, Ann of Texarkana, Ark., Susan, Linda and Laurette; two sons, Bill and Michael, all of Starkville; his mother, Mrs. Ezra Shira of Hamlin; a brother, Bill Shira of Hamlin; Hamlin; and two sisters, Mrs. Rube Abney of White Face and Mrs. Jerry Foskey of Virginia.

Throng of people came to pay tribute to Shira, from Mississippi, Texas, Memphis and Birmingham, including representatives from six Southeastern Conference Schools and three from Mississippi.

Also from the University of Texas were five men including Shira's longtime friend, Darrell Royal, with whom he worked with as an assistant for 10 years at Austin.

In a 10-minute service, the Rev. James Allen told the large gathering at the funeral home that "we should be truly thankful for having known Coach Shira."

"We are thankful for Coach Shira's achievements and thankful he was not denied the right to be at his home with his family and visit the campus he loved and the buildings he planned," the Rev. Allen said.

Sylvester Rites Held Saturday for J. S. Mauldin

Funeral services for J. S. Mauldin, 92, were held at 2 p.m. Saturday in First United Methodist Church of Sylvester. The pastor, the Rev. Kenneth James, officiated.

Mr. Mauldin died at 11:15 a.m. Thursday in Golden Haven Home for the Aged in Roby after a long illness.

Born Nov. 24, 1883, in Biloxi, Miss., he married Grace Cress II Oct. 30, 1904, in Erath Co. nty. She died Jan. 1, 1964. He was a Baptist.

Survivors include three sons, D. L. of Stephenville; Guy of Sylvester and Lee of Abilene; two daughters, Kate Boyd of Sweetwater and Ollie May Snider of Arlington; 20 grandchildren; 52 great-grandchildren and five great-great-grandchildren.

He was preceded in death by a daughter, Mrs. C. C. Farmer.

Grandsons were pallbearers.

Police Department Reports Busy Year In '75

The Hamlin Police Department had a busy year in 1975, according to Chief Ed Wheat. His department handled 2,821 calls in 1975 as compared to only 1,225 in 1974. Arrests were up from 101 in 1974 to 326 in 1975.

Public intoxication accounted for nearly half of the charges filed by the department during the past year with 103 charges made. Following this was burglary with 15, Traffic Violations with 14 and Theft by Check with 13.

City Court handled 234 of these arrests while 92 were transferred to either County or District Court.

According to Chief Wheat's report there were only two major break-ins in 1975 and

both of these were cleared by arrests.

The department handled 46 juveniles during the past year as compared to only 21 during the year before. Only one drug case was filed in 1975.

The department dispatched 60 fire calls during the year and handled 294 animal calls. They also investigated 82 traffic accidents during the year, this was up from 78 in 1974.

Speeding and no driver's licenses were the leading traffic violations during the year with 371 traffic tickets issued during 1975. Out of the 234 traffic violations, 104 were issued for speeding and 85 for no driver's license.

Conserve and Save Tips for your *Electric Range*

- Using your range more carefully can mean significant savings on your fuel bills. Avoid the temptation to keep opening the oven door. You lose up to 20% of the heat every time you do.
- Pre-heating the oven and baking only one dish or heating a few rolls is wasteful. With a little planning you can cook an entire meal in the oven.
- Reduce heat as soon as practical. When water is boiling, medium heat will keep it boiling. Use pans with tight-fitting lids to conserve heat.

TEXAS 1876

JANUARY 8-14, 1876

AUSTIN: The AUSTIN STATESMEN has come out against the new constitution because it would provide for the state to give owners of the Texas & Pacific Railroad public lands for the railroad to be built on. This continues to be a big controversy.

FORT WORTH: Down goes the price of meat. Pratt & Knight have succumbed to the pressure of public opinion, and offer a matutinal steak of the festive bovine at the ridiculously low figures of five cents a pound. Now beef steaks do not taste so strong of greenbacks.

GALVESTON: Sotera Pena, the well known restaurateur, has returned from Philadelphia where he has rented a good location for the virtualizing of Texas visitors to the Centennial Exposition.

ELLIS COUNTY: The Ellis County Democratic Convention convened at Waxahachie. All the different precincts were fully represented. A resolution was adopted indorsing (sic) the administration of Governor Coke.

WASHINGTON COUNTY: The Brenham Opera House is nearly completed, and is indeed a fine structure.

HOUSTON: J. A. Finch, shot through the lungs Christmas, has recovered so far as to return home with his mother to Galveston. He was shot several times during the war, and has about got so used to it that he "... don't much care for bullets now."

GALVESTON: The Market for our leading staple (cotton) continues to be dull without any actual decline in prices, but with an unusual disparity between the figures asked by factors and the prices which the latter are willing to concede. Advices have not been encouraging, the New York and the Liverpool markets both showing weakness

Motorists to Get Stickers Instead of Plates This Year

An era is coming to an end. Texas motorists this week began receiving their new vehicle registration applications in the mail.

But in 1976, instead of new metal license plates, Texas vehicles will sport small strips of reflective material. The bicentennial red, white and blue validation stickers are to be affixed to the area outlined by an embossed rectangle in the upper left-hand corner of the five-year plates issued a year ago.

So, for the first time since World War II, Texans will use license plates issued in an earlier year. And plans call

for annual re-issue of the same plate numbers for the foreseeable future for periods of at least five years at a time.

The Lone Star State issued plates for the first time in 1917, according to R. W. (Bob) Townsley, director of the Motor Vehicle Registration Division of the State Department of Highways and Public Transportation.

"Prior to that time motorists registered their vehicles in the county of residence," Townsley said. The county tax assessor-collector issued a plate

number and the owner of the vehicle got appropriate materials from a convenient hardware store and made his own plate or plates.

The first state-issued plates were round, and were colored white on red.

Later, size and style of plates varied somewhat, but assumed a shape basically similar to the familiar rectangular plates issued today. It was necessary a few years ago to initiate a three-letter, three-figure numbering system to accommodate the increasing number of motor vehicles registered each year.

The letters and numbers were separated by an embossed five-point star from 1923-45 and from 1957 to the present. All that will change this year, too. The 64th Legislature decreed that the star should be replaced by a silhouette of the State of Texas on all future license plates. The state silhouette will appear on the plates only after existing supplies are exhausted, Townsley said.

To cut the cost of plates, manufactured by the Texas Department of Corrections at Huntsville, it also was determined that plates should be used for five years instead of being re-issued annually.

Principal change in the 1975 plates was the addition of embossed rectangles in the upper left and right corners, and a galvanized back to assure longer life for the metal.

Beginning in 1978, Texas will go to a "year-round" registration system. The validation sticker will indicate the month of issue for

at the close for spot as well as futures and arrivals.

FALLS COUNTY: One of the Granges here has a circulating library of sixty volumes of agricultural work.

BEXAR COUNTY: The entire family of Mr. Stephen Leffel, consisting of the wife, six children and the servant girl, are seriously ill of trichina from eating uncooked ham, a sample of which, under the microscope, was found to contain myriads of the parasite.

ADVERTISED IN LEADING TEXAS NEWSPAPERS: Burnett's Cocaine -- How seldom we see a splendid head of hair! From sickness, excessive labor or neglect, thousands find their hair gradually wasting away. Burnett's Cocaine will repair this waste. The Cocaine is a perfect hair dressing, a promoter of the growth of the hair, a preparation free from irritating matter. It has great affinity for the human skin, is rapidly absorbed, and imparts luster and strength.

Mass Communications
Texas Tech University

each car, with the month to be determined by the department.

Vehicle registration will occur during every month of the year, similar to the present procedures for vehicle safety inspection.

The month-of-issue sticker will remain the same for the life of the vehicle and will be affixed in the upper left-hand corner of the license plate. A definite advantage will be the elimination of long lines of motorists waiting to register their vehicles once each year, as only part of the registrations will be issued each month.

When the new monthly registration system becomes effective, cost of registration will be determined by the month of issue for the first year, and a motorist will pay for length of the registration period—whether for part of a year or more than a year.

Assembly of God Church to Show Film Here Tuesday

"The Road to Armageddon" featuring David Wilkerson, author of the Cross and the Switchblade, will be shown here Tuesday, Jan. 13 at 7 p.m. at First Assembly of God Church.

The public is invited. No admission will be charged.

The pastor, the Rev. Billy Weaver, said that the film tells of Wilkerson's vision of the last World War at Armageddon.

The film depicts "predictions of soon to come persecution, earthquakes, recession, shattering news events foreshadowing the end of the world, a very clear interpretation of the signs of our times," according to advance publicity, the pastor said.
